**Abstract:** The Transportation Security Administration (TSA) Canine Program is a Congressionally-mandated program that operates as a partnership among TSA; aviation, mass transit, and maritime sectors; and State and local law enforcement. TSA operates the Canine Training Center (CTC) Adoption Program in accordance with 41 CFR §§ 102-36.35(d) (donation of surplus property) and 102-36.365 (donation of canines used for performance of law enforcement duties). The TSA Canine Program developed the TSA CTC to train and deploy explosive detection canine teams to Federal, State, and local agencies in support of daily activities that protect the transportation domain. TSA created the TSA CTC Adoption Program to find suitable individuals or families to adopt and provide good homes to canines who do not graduate from the training program. Individuals seeking to
